**CG Group of Companies** was founded in 2015 by Cassandra Gareau who has over five years' experience in the transportation, customer service and management industries.

**CG Group of Companies** has an extensive base of reliable carriers across North America. Our team chooses our carriers based on reliability, customer service and honesty. Due to our base of customers in a variety of industries, we are able to provide you with different modes of transportation.

**CG Trading** was created to offer MRFs another option by selling their recyclables to an experienced trading team. From Plastics to Fibres to Metals, our team works hard to ensure that our suppliers are given top dollars for their material while minimizing exportation. Another convenience is that there is someone to answer your requests 24/7, including all holidays.

Nothing is more important to the **CG Group of Companies** than YOU, our CUSTOMER, which is why we offer you the ability to manage either a portion, or all of your transportation needs. Our team of dedicated professionals is eager to learn about your company's needs and do everything in its power to ensure they are all met and exceeded.
